The Ultimate Guide to Scholarships for Delaware Students

The Delaware Higher Education Office is pleased to bring you the Delaware Scholarship Compendium 2022-2023. This guide is for Delaware students looking for scholarships and programs to offset the cost of college. Many scholarships are available for students with various abilities, needs and interests.

Fund your future with three easy steps

Delaware offers many ways for students to receive tuition assistance for college. Follow these three steps to take advantage of the many scholarship opportunities available.

1. Identify scholarships
   First, visit State Scholarships for DE Residents, and apply to relevant scholarships. Second, search for other scholarships within this compendium. You can search based on a variety of categories, such as county, financial need, profession or major. Check out categories such as contests that require creating videos or writing essays.

2. Complete the Free Application for Federal Student Aid (FAFSA)
   Filling out the FAFSA will help you determine if you are eligible for need-based financial aid. Many scholarships require a completed FAFSA, which is free. You can access the FAFSA beginning October 1. You should submit FAFSA as early as possible before May 15th. Be aware that some scholarships require a completed before this date. If you’re not ready to file a FAFSA, use FAFSA4caster to estimate your federal student aid.

3. Apply for scholarships, paying attention to deadlines.
   Read each scholarship listing carefully and pay attention to details and requirements. Take special note of deadlines and organize your selected scholarships by deadline to avoid missing any. Gather and review all applications as soon as possible to learn what is requested. Applying is easier if you allow plenty of time to pull together the requested items for each application.

   Keep in mind: Some scholarships will ask for an essay in addition to a standard application. If you’re unsure how to write your essay, get help from a teacher or counselor.
Scholarship Tips & Strategies
Maximize your chances of receiving scholarships

Here are our best tips to help you leverage all your opportunities for receiving the maximum number of scholarships.

Begin searching for scholarships as early as possible

- Don’t wait until January of your senior year to start looking.
- Pay attention to scholarship deadlines and keep a checklist of application closing dates.
- File your FAFSA early. Many scholarships require it. FAFSA can be filed beginning October 1.
- Avoid waiting until the deadline to apply to guard against computer or other technical issues.

Plan for letters of recommendation

- Choose your recommender carefully. It should be someone who knows you well and can speak to your accomplishments.
- Give them plenty of time and include a student bio or resume outlining your accomplishments and activities.
- The best letters of recommendation show the student’s personality and character.

Apply for local scholarships

- Many communities offer scholarships through clubs, organizations or small businesses.
- The chances of winning a local scholarship may be greater because they are open to a smaller group of students.
- Check with your school counselor for scholarships tied to your school and community.
- Ask relatives if they know of scholarships through their employers, clubs and organizations.

Apply for scholarships with smaller amounts

- Don’t overlook smaller scholarships. Several $500 scholarships can add up.
- Larger scholarships can be the most competitive.
- The number of scholarships you can apply to and win is unlimited.
Contact your chosen college or university’s financial aid office to find out about school specific-scholarships.

- Colleges and universities often have specific knowledge of scholarships offered by their institution.
- Your financial aid office is there to help you find opportunities to fund your education.

Don’t avoid scholarships that require an essay

- Some students avoid scholarships that require more work. That could shrink the application pool and improve your chances of winning.
- If you have two to four solid scholarship essays, edit and reuse those for multiple scholarship applications.
- Edit for each new scholarship essay question.

Writing a winning scholarship essay

- Follow the essay word limit. Exceeding that might disqualify you.
- Proofread the essay to ensure you have no spelling or grammar mistakes.
- Answer any questions in the essay prompt.
- Find a unique perspective on the essay prompt and make your essay stand out. Be personal and passionate.

Apply for many scholarships and stay organized

- Apply for 20 to 30 or more scholarships.
- Treat applying like a part-time job. It’s an investment in your future.
- Set aside regular times to look for and apply to scholarships, once a week, an hour each day, whatever works best for your schedule.
- Stay organized. Use a calendar and a checklist. Know scholarship deadlines.

Don’t be discouraged if you don’t win right away

- Not everyone is guaranteed to win a scholarship.
- The more you apply for, the better your chances of winning a scholarship.
- Continue to search for new scholarships.
- Apply for scholarships in different categories that you may qualify for, such as merit, athletic or artistic.
Beware of scholarship scams

You could be the target of a financial aid scam. Be alert to the tactics companies use to persuade students to buy their services. Here are some of the most common claims students hear.

- Requests for personal information: A legitimate scholarship will never ask for personal information such as a Social Security Number.
- Fees: A true scholarship will not charge an application fee.
- Guarantees to win: A legitimate scholarship will not guarantee that you will win. If it seems too good to be true, it probably is.
- Application is missing sponsor information: You should always be able to find a sponsor's contact information in the application. If you can’t find that information, be wary.
State Scholarships for DE Residents

State of Delaware Scholarships

Unless otherwise noted, these programs are funded by the state of Delaware; administered by the Delaware Higher Education Office (DHEO); and require Delaware residency and U.S. citizenship or eligible non-citizenship status. If you have questions about state-sponsored aid, contact:

Delaware Higher Education Office (DHEO)
The Townsend Building • 401 Federal St. • Ste. 2 • Dover, DE 19901
302-735-4120 • 1-800-292-7935 toll-free
302-739-5894 (fax) • dheo@doe.k12.de.us

Additional information about these awards can be found online: delawarestudentsuccess.org/state-aid.

Funding for DHEO scholarships is dependent on state of Delaware budget resources, which are finalized July 1 each year.

How to apply:
Beginning in December 2022, students can apply online for most of the programs and scholarships administered by DHEO by creating a DHEO Student Account, entering their anticipated college enrollment for the next academic year, and applying for a specific program/scholarship. The Free Application for Federal Student Aid (FAFSA) is required for many of the state's need-based programs and scholarships. Some applications also require you to submit additional documents, including an unofficial transcript, SAT scores and updated college enrollment information by the deadline. See program/scholarship descriptions for details.

1. Create your DHEO Student Account.
First-time applicants can set up their DHEO Student Account at any time by clicking on the “Student Account Access” link at delawarestudentsuccess.org/pay-for-college, then selecting “Click here to create your student account.”

2. Apply and update.
   - Apply for scholarships online in your DHEO Student Account.
   - Submit or change your 2023-2024 college enrollment information by the deadline, which is required for all state-sponsored awards.
• Submit required supplemental materials to dheo@doe.k12.de.us by the deadline.
• Update your contact information, change your password or check the status of your applications at any time.

Note: All communications from DHEO will be sent to the email address in your DHEO Student Account. Confirm the email address in your profile. To avoid delivery problems, add dheo@doe.k12.de.us to your address book or safe list.

3. Read the instructions.
• List your activities, if required for the scholarship.
• Complete the FAFSA before the application deadline.
• Provide information specific to the award if requested.

**Deadline:** Submit the scholarship application by 4:30 p.m. February 24, 2023. Must file FAFSA before application deadline.

**Eligibility:** High school seniors who have a combined score of 1000 on the SAT. Must enroll full-time at Delaware State University.

**Award:** Full tuition, fees, room, board and books at Delaware State University. Renewable for up to three years with a cumulative GPA of 3.0. One award per year.

Need-Based Scholarship

Scholarship Incentive Program (ScIP)

**Deadline:** May 19, 2023. The application requires three steps:

- Complete the FAFSA by April 15, 2023.
- Application opens January 2, 2023. Log onto your DHEO Student Account at delawarestudentsuccess.org to apply, complete the online scholarship application and provide your anticipated college enrollment information for 2023-2024 by May 19, 2023.
- Submit requested supporting documentation.

NOTE: Communications for additional deadline information are sent to the email address you provided in your DHEO Student Account. Check your email frequently. To avoid delivery problems, add dheo@doe.k12.de.us to your address book or safe list.

**Award:** Check your email frequently. Award is not renewable; students must reapply every year.

Other Scholarships

Educational Benefits for Children of Deceased Veterans and Others

**Deadline:** May 19, 2023. Students can create an account and apply online at www.doe.k12.de.us/Page/996.

**Eligibility:** Must be age 16 to 24 and have been a resident of Delaware for three or more consecutive years before the date of application. If applicant’s parent was a member of the armed forces, the parent must have been a resident of Delaware at the time of death or declaration of missing in action or prisoner of war. Must be the child of one of the following:
• Member of the armed forces whose death was service-related; who is being held or was held as a prisoner of war; or who is officially declared missing in action.
• State police officer whose death was service-related.
• State Department of Transportation employee routinely employed in job-related activities on the state highway system whose death was job-related.

**Award:** Limited to four years and will not exceed tuition and fees per academic year at a Delaware public college; or a Delaware private college, if applicant’s program of study is unavailable at a Delaware public college; or an out-of-state public or private college, if no institution in Delaware offers the program of study. Prorated for eligible students who choose to attend an institution that is out of this sequence.

**Michael C. Ferguson Achievement Award**
If you were a recipient of the Michael C. Ferguson achievement award in eighth or 10th grade, you can claim your award by creating a DHEO Student Account online. Once your account has been created and you have updated your college/university enrollment for the upcoming year, DHEO will match your Michael C. Ferguson Achievement Award to your account, and you can claim your award.

**Career Based Scholarship**
**Deadline:** Submit the scholarship application by May 19, 2023 and complete the FAFSA by April 15, 2024.
**Eligibility:** Scholarship for full-time undergraduate students enrolled in a bachelor’s degree program in a Delaware public or private college in a major leading to a career in a high-need field in Delaware. The Delaware Higher Education Office and the Delaware Department of Labor will review employment trends in Delaware and update the high-need career fields list every five years.
**Award:** $5,000 per year. Students can re-apply each year and preference will be given to former recipients who continue to meet eligibility criteria.
Educator Support Scholarship

**Deadline:** Submit the scholarship application by May 19, 2024 and complete the FAFSA by April 15, 2024.

**Eligibility:** Scholarship for full-time graduate or undergraduate students attending a Delaware public or private college who intend to pursue a career in education in high needs teaching areas and education specialist areas such as speech language pathologists, school psychologists, school social workers, and school counselors.

**Award:** $5,000 per year. Students can re-apply each year and preference will be given to former recipients who continue to meet the eligibility criteria.

Other Financial Aid Opportunities for Delaware Residents

**Delaware College Investment Plan**

*Delaware’s 529 college savings program*

The Delaware College Investment Plan is sponsored by the state of Delaware and managed by Fidelity Investments. It provides parents, grandparents and others a tax-advantaged way to save for a child’s college education. Any earnings grow tax-deferred and qualified withdrawals are free from federal and Delaware state income taxes. Withdrawals can be used to pay for qualified higher education expenses. The Delaware Plan offers various investment options.

To obtain an enrollment kit, call the Wilmington Investor Center at 800-201-5380 or visit [www.fidelity.com/delaware](http://www.fidelity.com/delaware).

**Academic Common Market**

*Regional tuition-savings agreement*

The Academic Common Market (ACM) is a tuition-savings agreement between 15 Southern states that are members of the Southern Regional Education Board (SREB). If your degree program is not offered at a public college in Delaware, you
may be eligible to attend an out-state college and receive in-state tuition at a public college that participates in the ACM.

To be **eligible** for the ACM, you must be:

1. A Delaware resident whose degree program is not offered at Delaware State University or University of Delaware.
2. Accepted into an eligible baccalaureate or graduate-level degree program selected for the ACM by a participating college. Note: The ACM does not include first professional degree programs, such as pharmacy, medicine, veterinary medicine, dentistry, optometry, theology or law.

**The 15 participating states are:**

Alabama                  Mississippi
Arkansas                 Oklahoma
Delaware                 South Carolina
Florida (graduate-level programs only)  Tennessee
Georgia                  Texas (graduate-level programs only)
Kentucky                 Virginia
Louisiana                West Virginia
Maryland

Programs offered in the ACM are selected by the participating public colleges and are subject to change. States and colleges may also set restrictions on ACM participation, such as undergraduate or graduate-only enrollment; full-time enrollment; or the completion of specific coursework to enter the degree program.

You can submit your ACM application to the DHEO after you have been accepted into an eligible degree program. If you remain continuously enrolled in the same program at the same school, make satisfactory academic progress and retain your Delaware residency, you do not have to reapply each year. Institutional requirements to retain ACM status may include full-time enrollment and maintaining a minimum GPA.

Contact DHEO if you have questions or if your program is not offered in the ACM. The participating institutions will sometimes add a program upon request. To learn about eligible programs for Delaware residents, ACM deadlines, or to download an application, visit [delawarestudentsuccess.org/acm](http://delawarestudentsuccess.org/acm).
