

Listed below are examples of majors/concentrations found in the areas of study outlined in the Delaware Scholarship Compendium. This list is not comprehensive and should be used as a reference when using the filter Areas of Study.

Areas of Study	Majors
Agricultural Sciences	Agricultural and Food Products Processing, Agricultural Business, Agricultural Mechanics and Machinery, Agricultural Production Operations, Agriculture, Animal Sciences and Husbandry, Aquaculture, Crop and Soil Sciences, Equine Studies, Horticulture, Landscaping and Groundskeeping, Plant Science
Anthropology, Sociology, and Social Sciences	Adult Development, Gerontology, and Aging, Anthropology, Sociology, Archaeology, Child Development, Family Studies and Consumer Sciences, Human Development, Social Science Research Methods, Social Sciences
Architecture	Architecture, General, Environmental Architecture and Design, Interior Architecture, Landscape Architecture
Visual & Performing Arts	Arts, General, Ceramics, Commercial and Advertising Art, Drawing, Fine Arts/Studio Arts, Illustration, Multimedia, Painting, Printmaking, Sculpture, Visual and Performing Arts, Film and Photography; Music
Biological, Biomedical Studies, Pre-Med Studies	Biochemistry, Biophysics, and Molecular Biology, Bioinformatics, Biology, Biomedical Sciences and Molecular Medicine, Biotechnology, Botany and Plant Physiology, Cellular Biology, Ecology and Evolutionary Biology, Genetics, Marine Biology and Oceanography, Microbiology, Neuroscience and Neurobiology, Pharmacology and Toxicology, Physiology and Pathology, Pre-Medicine Studies, Zoology and Entomology
Building and Construction	Carpentry, Construction and Heavy Equipment Operation, Electrician, General Construction Trades, HVAC and Refrigeration Engineering Technician, Plumbing, Welding, Woodworking
Business Management	Business, General, Construction Management, E-Commerce, Entrepreneurship, Hospitality and Tourism Management, Human Resources, Insurance, International Business, Logistics and Supply Chain Management, Management Information Systems, Management Science, Managerial Economics, Marketing, Merchandising and Buying Operations, Office Management, Operations Management, Organizational Behavior Studies, Real Estate, Sales, Small Business Management, and Art and Entertainment Management; International Relations

Areas of Study

Majors

Chemistry

Analytical Chemistry; Biochemistry; Chemical Physics; Chemistry; Environmental Chemistry; Forensic Chemistry; Geochemistry; Inorganic Chemistry; Materials Science; Organic Chemistry; Physical Chemistry; Polymer Chemistry; Theoretical Chemistry

Communications and Journalism

Advertising, Broadcast Journalism, Communications, General, Corporate Communications, Digital Communication and Media/Multimedia, Journalism, Photojournalism, Public Relations, Radio and Television, Sports Communication, Radio and Television Broadcasting Technician

Computer Science

Computer Graphics, Computer Science, General, Computer Software Engineering, Information Science

Criminal Justice and Law Enforcement

Criminal Justice, Criminology, Cyber/Computer Forensics and Counterterrorism, Forensic Science and Technology, Security Services, Financial Forensics, Social Justice

Dental Studies

Dental, General, Dental Assisting, Dental Hygiene

Design and Digital Communications

Design and Visual Communications, Fashion and Apparel Design, Game Design and Interactive Media, Graphic Design, Industrial and Product Design, Interior Design, Metal and Jewelry Arts, Web, Product, and User Experience Design

Economics

General Economics; Econometrics & Quantitative Economics; Applied Economics; Development Economics & International Development; International Economics; Other Economics

Environmental Science

Atmospheric Physics and Dynamics; Environmental Communications; Energy Conservation; Environmental Engineering and Design; Environmental Modeling; Environmental Toxicology; Forestry; Geological and Earth Sciences; Marine Science; Meteorology; Natural Resources Conservation and Management; Renewable Energy; Wildlife and Fisheries Management

Education and School Supports

Adult and Continuing Education, Agricultural Teacher Education, Art Teacher Education, Bilingual and Multicultural Education, Business Teacher Education, Early Childhood Education, Education, General, Education Research and Evaluation, Educational Administration, Elementary Education, English and Speech Teacher Education, Foreign Language Teacher Education, Health Teacher Education, High School Education, History Teacher Education, Kindergarten and Preschool Education, Mathematics Teacher Education, Middle School Education, Music Teacher Education, Physical Education Teaching and Coaching, Science Teacher Education, Social Studies Teacher Education, Special Education and Teaching, Teaching Assistant, Teaching English as a Second Language, and Speech Pathology, Social Work and Youth Services

Areas of Study

Majors

Engineering

Aerospace Engineering, Agricultural Engineering, Architectural Engineering, Bioengineering and Biomedical Engineering, Chemical Engineering, Civil Engineering, Computer Hardware Engineering, Construction Engineering, Electrical Engineering, Engineering, General, Engineering Physics, Engineering Science, Environmental Engineering, Industrial Engineering, Manufacturing Engineering, Materials Engineering, Mechanical Engineering, Mining and Petroleum Engineering, Nuclear Engineering, Robotics and Automation Engineering, Systems Engineering

Finance and Accounting

Finance, Accounting, Actuarial Science, Banking and Finance, Financial Planning, Taxation, Accounting Technician and Bookkeeping,

Food and Nutrition

Dietetics and Clinical Nutrition, Food Science, Foods, Nutrition, and Wellness Studies

Cultural, Minority, Group Studies, and Global Studies

African Studies, United States Studies, Asian Studies, East Asian Studies, Russian and European Studies, European Studies, Latin American Studies and Caribbean Studies, Near and Middle Eastern Studies, Pacific Area and Pacific Rim Studies, Russian Studies, Scandinavian Studies, South Asian Studies, Southeast Asian Studies, Western European Studies, Canadian Studies, Balkans Studies, Baltic Studies, Slavic Studies, Caribbean Studies, Central Asian and Ural-Altaic Studies, Commonwealth Studies, Chinese Studies, French Studies, German Studies, Italian Studies, Japanese Studies, Korean Studies, Polish Studies, Spanish and Iberian Studies, Tibetan Studies, Ukraine Studies, Irish Studies, Native American Studies, Asian-American Studies, Women’s Studies, Hispanic American Studies, Gay/ Lesbian Studies, Disability Studies

Health Professions

Alternative Medicine and Holistic Health, Communication Disorders, Mental and Social Health Services, Mental Health Counseling, Radiation Therapy, Respiratory Care Therapy, Speech Language Pathology, Substance Abuse and Addiction Counseling,

Humanities, museums, and libraries

Art History, Historic Preservation and Conservation, History, General, Music History and Literature, modern languages, and philosophy

Information Technology

Computer and Information Systems Security, Computer Systems Analysis, Computer Systems Networking and Telecommunications, Information Technology, General, Network, Database, and System Administration

Kinesiology and Physical Therapy

Athletic Training, Exercise Physiology, Kinesiology and Physical Education, Massage Therapy and Bodywork, Occupational Therapy, Physical Therapy, Rehabilitation and Therapy, Yoga and Movement Therapy

Law and Legal Studies

Paralegal, Pre-Law Studies, Social Justice

Areas of Study

Majors

Manufacturing

CNC Machinists, Welders, Automotive industry workers, Production Supervisors, Metalworkers, Certified Production Technicians.

Mathematics

Computational and Applied Mathematics, Mathematics, General, Statistics

Medical Assistants and Technicians

Biology and Biotechnology Technician, Biomedical Technician, Cardiovascular Technician, Emergency Medical Technician (EMT Paramedic), Health Aides and Attendants, Medical Assistant, Medical Laboratory Technician, Medical Office Assistant, Medical Records Technician, Medical Technician, Nuclear Medical Technician, Occupational Therapist Assistant, Phlebotomy Technician, Physical Therapy Technician, Physician Assistant, Radiologic Technician, Research Technologies, Sonographer and Ultrasound Technician, Surgical Technologist

Nursing

Licensed Practical Nurse Training (LPN), Nursing, General, Nursing Administration, Nursing Assistant, Nursing Science, Education, and Practice

Pharmaceutical Science

Pharmacy and Pharmaceutical Sciences, Pharmacy Technician

Physics

Astronomy and Astrophysics, Physics, General

Political Science

Fire Sciences, Security, Military, and Intelligence

Fire Protection and Prevention, Fire Science and Fire Fighting, Homeland Security and Disaster Management, Military and Intelligence

Psychology, Behavioral, and Cognitive Science

Behavioral Sciences, Clinical Psychology, Cognitive Science, Counseling Psychology, Developmental and Child Psychology, Forensic Psychology, Industrial and Organizational Psychology, Physiological Psychology, Psychology, General, Research and Experimental Psychology, Social Psychology

Public Health & Management

Healthcare Management, Health Unit Coordinator and Manager Hospital Management, Medical Insurance Billing and Claims, Medical Insurance Coding, Medical Office Management, Medical Records Administration, Medical Secretary, Health Care Management/Administration, General Community Health Services and Counseling, Environmental Health, Public Health Education

Public Policy and Social Services

Community Organization and Advocacy, Family and Community Services, Housing and Built Environments, Human Services, Medical Social Work, Non-Profit and Public Management, Parks and Recreation, Public Administration, Social Work and Youth Services, Urban Studies and Affairs, Urban, Community and Regional Planning, Government

Areas of Study

Majors

Religious Studies

Biblical Studies, Divinity, Ministry, and Pre-Theology, Missionary Studies, Pastoral Counseling and Specialized Ministries, Religious Education, Religious Studies, General, Talmudic and Rabbinical Studies, Theological and Ministerial Studies

Sports Management and
Leisure Studies

Leisure and Recreational Activities, Sports Studies, Sports and Fitness Management

Trades and Personal
Services

Audiovisual Communications Technologies, Motorcycle Maintenance and Repair, Accounting Technician and Bookkeeping, Aeronautics and Aviation Technology, Air Transportation, Apparel and Textiles, Aviation Management and Operations, Child Care Provider, Communications Technicians, Data Processing, Drafting and Design (CAD/CADD), Funeral Service and Mortuary Science, Ground Transportation, Industrial Radiologic and Nuclear Technicians, Legal Administrative Assistant, Machine and Metal Working, Marine Transportation, Occupational Safety and Health Technician, Physical Science Technologies/Technician, Precision Production, Professional Pilot, Property Management, Quality Control Technician, Radio and Television Broadcasting Technician, Recording Arts Technician, Retail Management, Truck, Bus, and Commercial Vehicle Operation, Barbering, Cosmetology, General, Cosmetology Instruction and Salon Management, Esthetician and Skin Care, Make-Up Artist, Tattooing, Nail Technician

Veterinary Studies

Veterinary Sciences, Veterinary Technician and Assistant
