It provides parents, grandparents and others a tax-advantaged way to save for a child's college education. Any earnings grow tax-deferred and qualified withdrawals are free from federal and Delaware state income taxes. Withdrawals can be used to pay for qualified higher education expenses. The Delaware Plan offers various investment options.

#### Academic Common Market

*Regional tuition-savings agreement*

The Academic Common Market is a tuition-savings agreement between **15 Southern states** that are members of the Southern Regional Education Board. If your degree program is not offered at a public college in Delaware, you may be eligible to attend an out-of-state college and receive in-state tuition at a public college that participates in the ACM.

To be **eligible** for the ACM, you must be:

1. A Delaware resident whose degree program is not offered at Delaware State University or University of Delaware.
2. Accepted into an eligible baccalaureate or graduate-level degree program selected for the ACM by a participating college. Note: The ACM does not include first professional degree programs, such as pharmacy, medicine, veterinary medicine, dentistry, optometry, theology or law.

The **15 participating states** are:

Alabama  
Arkansas  
Delaware  
Florida  
(graduate-level programs only)  
Georgia  
Kentucky  
Louisiana  
Maryland

Mississippi  
Oklahoma  
South Carolina  
Tennessee  
Texas  
(graduate-level programs only)  
Virginia  
West Virginia

Programs offered in the ACM are selected by the participating public colleges and are subject to change. States and colleges may also set restrictions on ACM participation, such as undergraduate or graduate-only enrollment; full-time enrollment; or the completion of specific coursework to enter the degree program.

You can submit your ACM application to the DHEO after you have been accepted into an eligible degree program. If you remain continuously enrolled in the same program at the same school, make satisfactory academic progress and retain your Delaware residency, you do not have to reapply each year. Institutional requirements to retain ACM status may include full-time enrollment and maintaining a minimum GPA.

Contact DHEO if you have questions or if your program is not offered in the ACM. The participating institutions will sometimes add a program upon request. To learn about eligible programs for Delaware residents, ACM deadlines, or to download an application, visit [delawarestudentsuccess.org/acm](http://delawarestudentsuccess.org/acm).
