GPI Milford, DE Engineering Scholarship

2025 - 2026 School Year

The GPI Milford, DE Engineering Scholarship is available to local residents who are planning to pursue a career in engineering. All application questions should be directed to Mike Nauman, Milford, DE Office Scholarship Coordinator at mnauman@gpinet.com or 302-203-6093.

Who may apply:

- Citizens of the United States.
- High school seniors graduating in 2026.

The Scholarship:

- The scholarship is created by and judged by engineering staff in GPI's Milford, DE office.
- The application deadline is midnight on <u>February 28, 2026</u>. Send all information to <u>mnauman@gpinet.com</u>.
- The application must be complete, including an official transcript, at the time of submission and may optionally include letters of recommendation.
- The scholarship winner will receive a one-time award amount of \$500.00 for their first year of school. The award is not renewable.
- The scholarship funds will be sent directly to the scholarship winner and must be used for tuition, fees, books, and supplies, as well as room and board if the student is living in oncampus housing. The award can only be used toward the expenses of the academic year for which it was intended and not for prior student debts.
- Applicants are solely evaluated based on the information contained within the application submitted.

Application Judging:

- Applications will be evaluated based on academic performance, extracurricular activities, an essay, and letters of recommendation (if included).
- Please keep a copy of the completed application for your records.

Greenman-Pedersen, Inc. (GPI) is a multi-discipline engineering firm that has been providing planning, design, and construction services for transportation infrastructure and building system projects throughout the United States for nearly 60 years. Ranked in the Top 100 Firms by Engineering News Record, GPI is a forward-thinking, innovative firm with a culture that is committed to excellence and fosters staff empowerment.
